September Outreach Report

THE WRITE WAY

Writing effective early
childhood impact stories

CADCA Building drug-free communities.

9/5/2012 The Write Way Training

I shared this training with the Margine and Kim from U of A Cooperative Extension. This second installment of the Speaker's Training Series is available to you and your staff! Call me 602-708-6782.

9/21&25/2012 Books for Baby Bouquets

The local Florists in our region are excited to include infant board books with bouquets that go out to moms of new babies. The books have the First Things First "Read to Your Child Every Day" labels affixed to them. I spoke with florists in Pinetop, Show Low and Snowflake about the importance of ECD and FTF.

9/29/2012 McDonald's Health and Safety Fair

I joined the Summit RMC mobile medical unit at McDonald's to distribute books and information to families attending this event. McDonald's passed out bike helmets...so cool!

10/6/2012 Navajo County Substance Abuse Prevention Fair

This wonderful annual event provided the opportunity to talk to dozens of families and community members. I was able to have conversations about the decreased risk of substance abuse in children who are exposed to quality Early Childhood Programs.

10/2/2012 CADCA Webinar on Underage Drinking

What a great opportunity to learn and share information about how to prevent underage drinking. This webinar information included "New Research since the Surgeon General's Call to Action to Prevent and Reduce Underage Drinking."

September Outreach Report

The Apache County and Navajo County Fairs were in September! Information was distributed by grantees about Early Childhood Development and First Things First.

DID YOU KNOW?

New research shows that, in this era of information explosion, people need to hear a consistent message 14 times before that information becomes solidified in their brains.

Upcoming events

10/15/2012 the presentation to the Submarine veterans of the White Mountains was rescheduled for this date.

10/30/2012 Cradle To kinder event at NPC in Holbrook. We will host a table at this event to bring information about FTF to this group and our grantees will have information about their services and when and where to access them.

I need more presentations to business leaders in our region! Please contact me and let me know what groups you may be able to schedule me with. Thank you!

DID YOU ALSO KNOW?

If you tell 2 people about FTF and they tell two people, and so on, and so on....every citizen of Arizona would know about FTF in 28 days.

So far, we have 315 CHAMPIONS for Arizona's Young Children in the First Things First Navajo/Apache Region.
